

# BillionaireCollectionMedia Kit

A considered platform for luxury, culture and capital.

Integrated editorial, film, audio, social and experiential opportunities for brands seeking a place in the Billionaire Collection ecosystem.

# One ecosystem. Many ways to be present.

[ A private introduction to an audience that values discernment.

Billionaire Collection brings together premium editorial, film, audio, social and live opportunities within a single, highly considered partnership environment. Each placement is designed to give a relevant brand a composed, appropriate and purposeful presence.

The portfolio is built around subjects central to the modern ultra-high-net-worth lifestyle: property, yachting, aviation, automotive, fine art, technology, private services and luxury

goods. ], [

## FOCUS AREAS
